February 26, 2014

Your health care coverage (Apple Health/Medicaid) stopped February 28, 2014.

You may have tried to renew, but couldn't. You might have had difficulty when you went online or when you called.

Tell us if you still want health care coverage. If you do, we will put you back on Apple Health/Medicaid. Your coverage will go back to March 1, 2014. Do one of these three things by March 11th:

1. Email us at AskMagi@hca.wa.gov.

Subject line of your email: RENEWAL

In the email, give us:

- Primary applicant's full name (required)
- Primary applicant's date of birth (required)
- Primary applicant's ACES client ID number (if available)
- Primary applicant's ProviderOne services card ID number (if available)
- New address or new phone number (if you moved or changed phone numbers); or

2. Fill out the section below. Mail it to us in the envelope enclosed. The envelope doesn't need a stamp; or

3. Call us at 1-855-623-9357 and be ready to give us your name and date of birth.
