

Children's Health Insurance Program

Plan Activity as of May 1, 2015

- Medicaid expansions: 8 States, 5 Territories & D.C.
- Combinations of Medicaid expansions and separate programs: 29 States
- Considered separate by State but technically combinations due to 133% transition: 11 States
- WA and CT are separate programs with no Medicaid expansions.

Program type does not account for states with a Separate CHIP solely for temporary 2101(f) protection.
