Oregon Health Plan & Healthy Kids: Covering Oregon's Children

In large part thanks to Oregon Health Plan (Medicaid) and Healthy Kids (CHIP), 97% of Oregon children have health coverage. Our most vulnerable families count on these programs to help their children grow into healthy, productive adults.

LONG-TERM BENEFITS FOR OREGON

Children with health insurance are more likely to succeed in school and in life. Children enrolled in Oregon Health Plan miss fewer school days, perform better in school, are more likely to graduate high school and go to college, earn higher wages and pay higher taxes as adults.

We must keep Oregon Health Plan and Healthy Kids strong for Oregon and our children. Changes or federal funding cuts that threaten coverage for children are a step in the wrong direction.
