

CHIP Enrollment Trends During Public Health Emergency
(Ranked from Largest Enrollment Gain to Largest Enrollment Loss)

	Baseline	8-month comparison October to February 2020			
State	Feb-20	Oct-20	Number Change	Percentage Change	Rank (Largest Gain to Largest Loss)
Missouri	30,282	39,275	8,993	29.7%	1
Arizona	35,749	44,169	8,420	23.6%	2
Louisiana	115,613	133,247	17,634	15.3%	3
Kansas	45,121	50,125	5,004	11.1%	4
Iowa*	55,934	58,339	2,405	4.3%	5
Mississippi	46,389	48,289	1,900	4.1%	6
New Jersey	131,464	136,052	4,588	3.5%	7
Virginia	74,943	77,375	2,432	3.2%	8
Indiana	36,625	36,133	-492	-1.3%	9
Nevada*	27,584	26,593	-991	-3.6%	10
North Carolina	114,238	109,826	-4,412	-3.9%	11
New York*	428,907	410,378	-18,529	-4.3%	12
Pennsylvania	186,093	177,944	-8,149	-4.4%	13
Utah	16,814	16,062	-752	-4.5%	14
Connecticut	20,417	19,312	-1,105	-5.4%	15
Tennessee*	38,680	34,160	-4,520	-11.7%	16
Florida	213,501	178,724	-34,777	-16.3%	17
Total for States with October Data (17)	1,618,354	1,596,003	-22,351	-1.4%	

Source: Georgetown Center for Children and Families analysis of state administrative data. Data as of 12/16/2020. Further information on sources available in methodology section.

* State operates a combination CHIP program and does not designate whether CHIP enrollment listed is MCHIP or Separate CHIP. Numbers included in this analysis may include some children covered through MCHIP.

Methodology for State Administrative CHIP Enrollment Tracking

State	Construction of CHIP Population	Hyperlink to State Website	Notes
Arizona	"AHCCS CompleteCare/KidsCare" row from "Population Highlights"	https://azahcccs.gov/Resources/Reports/population.html	
Connecticut	"CHIP" row	https://data.chhs.ca.gov/dataset/medicaid-enrollment-by-eligibility-	
Florida	"Healthy Kids Total (5-18)" column	https://www.healthykids.org/data/	
Indiana	"SCHIP Grand Total"	https://www.in.gov/fssa/ompp/forms-documents-and-tools2/medicaid-	
Iowa*	Sum of "Amerigroup Hawki" total and "Iowa Total Care Hawki" total	https://dhs.iowa.gov/ime/about/performance-data/MC-monthly-reports	Iowa operates a combination CHIP program, and it is unclear whether the CHIP numbers included in this analysis are a combination of Medicaid CHIP and Separate CHIP or Separate CHIP alone.
Kansas	"CHIP" row	https://www.kancare.ks.gov/policies-and-reports/medical-assistance-report	
Louisiana	Sum of "LaCHIP," "LaCHIP Affordable Plan," and "LaCHIP	https://ldh.la.gov/index.cfm/page/1275	
Mississippi	"CHIP" column	https://medicaid.ms.gov/resources/	
Missouri	"Total" column, "CHIP" subcolumn	https://dss.mo.gov/mhd/mc/pages/enroll.htm	
Nevada*	"Nevada Check Up" column	https://app.powerbigov.us/view?r=eyJrjoizGQ0NTE5ZmUtYjAxNi00NjQzLTliNzktOGM4YjgxYjgwODY2liwidCl6ImU0YTM0MGU2LWI4OWUjNGU2OC04ZWFhLTE1NDRkMjcwMzk4MCMJ9	Nevada operates a combination CHIP program, and it is unclear whether the CHIP numbers included in this analysis are a combination of Medicaid CHIP and Separate CHIP or Separate CHIP alone.
New Jersey	Sum of "SCHIP Children 142 to 150% FPL," "SCHIP Children 142 to 150% FPL," "SCHIP Children 200 to 350% FPL" columns	https://www.state.nj.us/humanservices/dmahs/news/reports/	
New York*	"Total" column, "Total" row	https://www.health.ny.gov/statistics/child_health_plus/enrollment/	New York operates a combination CHIP program, and it is unclear whether the CHIP numbers included in this analysis are a combination of Medicaid CHIP and Separate CHIP or separate CHIP alone.
North Carolina	"CHIP" row (located below Medicaid total)	https://medicaid.ncdhhs.gov/reports/dashboards#enroll	
Pennsylvania	"Statewide Totals" row	https://www.chipcoverspakids.com/AboutCHIP/Pages/EnrollmentFigures.asp	
Tennessee*	"Grand Total" minus total for "Female 19 →"	https://www.tn.gov/coverkids/enrollment-data-.html	Tennessee operates a combination CHIP program, and it is unclear whether the CHIP numbers included in this analysis are a combination of Medicaid CHIP and Separate CHIP or separate CHIP alone.
Utah	"CHIP Persons" row	https://medicaid.utah.gov/Documents/pdfs/mcac/2020Minutes/MCACMedicaid	
Virginia	"FAMIS (Age 0-19 143-200% FPL)" column	https://www.dmas.virginia.gov/#/deidentifiedreports
