NOTE: MediKids, Title XXI Funded Medicaid, and Medicaid Title XIX enrollment numbers reflect retrospective data as reported by the Agency for Health Care Administration, Medicaid Program Finance

Healthy Kids enrollment is reported by Florida Healthy Kids Corporation and CMS Plan enrollment is reported by the Department of Health.

* Target Enrollment represents the projected average caseload based on the SFY 2022-2023 Florida KidCare Appropriations.

**Includes new eligibles and Medicaid children who would have previously been referred to CHIP due to income between 112% and 133% FPL.

Total Title XXI Funded Enrollment includes Total Title XXI Enrollment plus Title XXI Funded Medicaid < Age 1 and Ages 6 - 18.
