

Medicaid is Vital to Alaska

Medicaid, or Alaska Medicaid, is a public health insurance program designed to help people who otherwise could not afford health coverage.

Medicaid is a state-federal partnership, which means that federal and state funds jointly finance Alaska Medicaid

Medicaid Enrollment and Spending by Eligibility Group

MEDICAID IS VITAL TO ALASKA'S BUDGET

The federal government contributes **\$1.10** to Medicaid for every **\$1** Alaska invests.

29% of federal funding sent to Alaska is for Medicaid, which is about \$1.8 billion annually.

Federal funding for Medicaid is critical to health care in Alaska

Medicaid pays for 36% of births in Alaska

Helps ensure access to critical prenatal care, maternity care, and postpartum services.

Medicaid covers 36% of all Alaska children

Insures children in low-income families, children with special health care needs, and children in foster care.

Medicaid pays for the care of 76% of nursing home residents in Alaska

Provides critical nursing home and community-based services for seniors and people with disabilities.

Medicaid covers mental health services in Alaska

Nationally, Medicaid is the largest single source of funding for mental health and substance use care.

FEDERAL MEDICAID CUTS WOULD:

- 1 Do nothing to lower health care costs** or improve quality and access to care.
- 2 Devastate state budgets**, putting other priorities like K-12 funding at risk.
- 3 Undermine financial stability of the health system**, especially rural hospitals and community clinics.
- 4 Jeopardize health coverage** for millions of children and families, seniors, and people with disabilities.
