

# Medicaid is Vital to New Mexico

Medicaid is a public health insurance program designed to help people who otherwise could not afford health coverage.

Medicaid is a state-federal partnership, which means it is jointly financed by federal and state funds.

## Medicaid Enrollment and Spending by Eligibility Group

## MEDICAID IS VITAL TO NEW MEXICO'S BUDGET

The federal government contributes **\$2.53** to Medicaid for every **\$1** New Mexico invests.

**66%** of federal funding sent to New Mexico is for Medicaid, which is about \$7.3 billion annually.

## Federal funding for Medicaid is critical to health care in New Mexico

**Medicaid pays for 31% of births in New Mexico**

Helps ensure access to critical prenatal care, maternity care, and postpartum services.

**Medicaid covers 61% of all New Mexico children**

Insures children in low-income families, children with special health care needs, and children in foster care.

**Medicaid pays for the care of 67% of nursing home residents in New Mexico**

Provides critical nursing home and community-based services for seniors and people with disabilities.

**Medicaid covers mental health services in New Mexico**

Nationally, Medicaid is the largest single source of funding for mental health and substance use care.

## FEDERAL MEDICAID CUTS WOULD:

- 1 Do nothing to lower health care costs** or improve quality and access to care.
- 2 Devastate state budgets**, putting other priorities like K-12 funding at risk.
- 3 Undermine financial stability of the health system**, especially rural hospitals and community clinics.
- 4 Jeopardize health coverage** for millions of children and families, seniors, and people with disabilities.
