

# Medicaid is Vital to Utah's Children

Medicaid is a public health insurance program designed to help people who otherwise could not afford health coverage.

Medicaid is a lifeline to children and families in Utah and is built with children's unique needs in mind.

46% of people enrolled in Medicaid in Utah are children

**Medicaid pays for 18% of Utah births**

Helps ensure access to critical prenatal care, maternity care, and postpartum services.

**Medicaid covers 18% of all Utah children**

Insures children in low-income families and nearly all children in foster care.

**Medicaid covers 33% of children in Utah with special health care needs**

Provides medical, behavioral health, and long term care for children with special health care needs and disabilities.

**Medicaid is the largest source of federal funding for mental health services**

Supports mental and behavioral health treatment for children, adolescents, and adults.

## MEDICAID IS VITAL TO UTAH'S CHILDREN

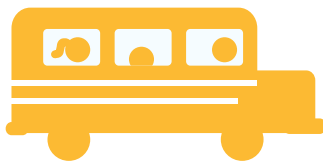

The federal government contributes \$1.66 to Medicaid for every \$1 Utah invests.

49% of federal funding sent to Utah is for Medicaid, which is about \$4.1 billion annually.

Medicaid is a smart long-term investment in children.

### Children enrolled in Medicaid:

Miss fewer school days

Are more likely to graduate from high school

Grow up to be healthier adults

Earn higher wages
