

Medicaid is Vital to Wyoming's Children

Medicaid is a public health insurance program designed to help people who otherwise could not afford health coverage.

Medicaid is a lifeline to children and families in Wyoming and is built with children's unique needs in mind.

64% of people enrolled in Medicaid in Wyoming are children

Medicaid pays for 29% of Wyoming births

Helps ensure access to critical prenatal care, maternity care, and postpartum services.

Medicaid covers 35% of all Wyoming children

Insures children in low-income families and nearly all children in foster care.

Medicaid covers 38% of children in Wyoming with special health care needs

Provides medical, behavioral health, and long term care for children with special health care needs and disabilities.

Medicaid is the largest source of federal funding for mental health services

Supports mental and behavioral health treatment for children, adolescents, and adults.

MEDICAID IS VITAL TO WYOMING'S CHILDREN

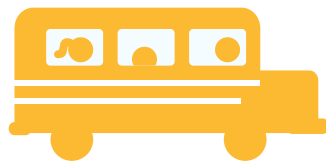

The federal government contributes \$1.00 to Medicaid for every \$1 Wyoming invests.

44% of federal funding sent to Wyoming is for Medicaid, which is about \$440 million annually.

Medicaid is a smart long-term investment in children.

Children enrolled in Medicaid:

Miss fewer school days

Are more likely to graduate from high school

Grow up to be healthier adults

Earn higher wages
